Aparador Marieta

Aparador 4 puertas

Aparador de cuatro puertas con apertura en simetría y brillantes patas delanteras cuasi esféricas. El acabado de madera natural contrasta con el impacto de los listones superpuestos, que caen como goterones de pintura, en una absurda carrera por alcanzar el abismo. Las baldas interiores no se conforman con su inherente funcionalidad, sino que ansían convertirse en una extensión privada de su belleza exterior.
